IIT Bhubaneswar Faculty Among World's Top 2% Scientists in Stanford-Elsevier Ranking

In an achievement in the field of research and innovation, six faculty members from IIT Bhubaneswar have been recognized among the top 2 percent of scientists worldwide, as per the prestigious ranking released by Stanford University in collaboration with Dutch academic publishing company, Elsevier. This annual ranking, widely respected across the global academic community, acknowledges scientists based on the impact of their research work, citation index, and other critical academic parameters.

The study releases two sets of rankings every year:

- i. The top 2% of the scientists of the World for the Single Year
- ii. The List of the Scientists ranked in Career-long Research Category

Following faculty members from IIT Bhubaneswar have been recognised under these two categories:

Prof. S.R. Samantaray
School of Electrical and Computer Sciences

Recognised for 2024 & Career-long Research

Prof. Rajan Jha
School of Basic Sciences

Recognised for 2024 & Career-long Research

Prof. P. Dinakar
School of Infrastructure

Recognised for 2024 & Career-long Research

Prof. V. R. Pedireddi
School of Basic Sciences

Recognised for Career-long Research

Prof. M.M. Mahapatra
School of Mechanical Sciences

Recognised for 2024

Dr. Barathram. Ramkumar
School of Electrical and Computer Sciences

Recognised for 2024

Dr. P.R. Budarapu
School of Mechanical Sciences

Recognised for 2024

Director Prof. Shreepad Karmalkar conveyed his congratulations to the faculty members and said, "This recognition is a testament to the high-calibre research being conducted at IIT Bhubaneswar."

Hindi workshop organised

The Official Language Unit of IIT Bhubaneswar organized a Hindi workshop on 'Noting & Drafting' for all the staff and faculty members of the Institute on 20th September 2024. Dr. Rajeev Rawat, Senior Hindi Officer, IIT Kharagpur graced the workshop as the chief guest and shared his experiences and knowledge. Shri Bamadev Acharya, Registrar also graced the occasion.

The workshop was inaugurated by Dr. Chetan, Professor-in-charge of the Official Language Unit, who welcomed all the participants. Faculty and staff members actively participated in this programme. Dr. Sambhunath Sahu, Assistant Librarian proposed a vote of thanks. The workshop was coordinated by Mr. Hemant Kumar Yadav, Hindi translator.

Short-Term Course on Teaching for Inclusion

A One Week (23rd to 27th September 2024) Short-term Course on Teaching for Inclusion: Principles for Effective Practice sponsored by Scheme for Promotion of Academic and Research Collaboration (SPARC) was inaugurated at the Bose Hall in National Institute of Technology, Warangal (NITW).

The SPARC Project, funded by the Ministry of Education, Government of India, titled "Teacher Education Practices for Inclusive Education: A Paradigm Shift to Achieve Sustainable Development Goals (SDGs)" has been awarded to Dr. Rajakumar Guduru, Assistant Professor, School of Humanities, Social Sciences & Management.

The programme aims to help teachers adapt instructional practices for diverse learners, foster collaborative teaching, bridge general and special education, and strengthen Family-School Partnerships.

In the inauguration programme, Prof V. Panduranga, the Dean Continuing Education was also present as the Guest of Honour.

Representing IIT Bhubaneswar in Semicon India 2024

Nano Semic Pvt. Ltd., a spin-off startup company out of the IDEA Lab in the School of Electrical and Computer Sciences at IIT Bhubaneswar, exhibited at Semicon India 2024 in Greater Noida from 11th to 13th September 2024. Their sensing materials and mobile application for sensor interfacing were presented during the event.

"Nano Semic envisions to develop semiconductor based sensors, sensor-related products such as sensing platforms, sensing layers, characterization kits. Additionally, it provides services related to the modeling, simulation, design and other technical inputs related to semiconductor devices and processes. Our products would cater to a wide range of applications such as safety, agriculture, education and healthcare," said Dr. Sayan Dey and Dr. Akshay K, the Directors of Nano Semic, who are also the faculty members of IIT Bhubaneswar.

New Stationery Shop Inauguration

A new Stationery and Photocopy Shop was inaugurated by Prof. Shreepad Karmalkar, Director at New Market Complex (Block-B), Academic Area on 24th September 2024, in the presence of Deans, Faculty Members, Senior Officials and other functionaries of the Institute. Prof. Umapasana Ojha, Chairman, IMMC and his team coordinated the programme.

Our Institute
Nook & Comer

The Administrative Building of the Institute, with 14275 sq.mtr. built up area, located centrally between the Residential & Academic zone becomes the center of attraction for its uniqueness in terms of Building Architecture complemented by multi-colour façade lighting. The assymetric dome of the building signifies the inclusivity of the Institute.

The Cloud

By Percy Bysshe Shelley

*I bring fresh showers for the thirsting flowers,
From the seas and the streams;
I bear light shade for the leaves when laid
In their noonday dreams.*

#####

*I am the daughter of Earth and Water,
And the nursling of the Sky;
I pass through the pores of the ocean and shores;
I change, but I cannot die.
For after the rain when with never a stain
The pavilion of Heaven is bare,
And the winds and sunbeams with their convex gleams
Build up the blue dome of air,
I silently laugh at my own cenotaph,
And out of the caverns of rain,
Like a child from the womb, like a ghost from the tomb,
I arise and unbuild it again.*
